Totems Bring Back Medals

The Junior Outdoor Championships were held in Wenatchee May 8th – 9th. Our West Seattle Totem's Junior Rifle Team sent 12 shooters to the match. The weather as it has been in the past few years, was generally sunny and windy which adds to the difficulty of this match. Our Totems brought home 37 medals or awards as follows:

The West Seattle Sportsmen's Club was founded in 1934 by a group of fourteen men who had the foresight to see that sportsmen, in a united group, would present views, be better heard and achieve goals that were not possible when action as unorganized individuals. The ambitions of these charter members, who strove for the propagation of wildlife and habitat as well as the conservation of all our natural resources, has proven prophetic, for today multitudes of individuals and sporting groups are carrying on the job of conserving the remaining outdoor assets of natural America. The West Seattle Sportsmen's Club helps lead in this fight in the state of Washington. A member has the opportunity to join others in formulating club action in achieving and maintaining these goals.

However, "all work and no play" is not the format of the club. Many events are spaced throughout the year to insure a member many chances to participate in sportsmen's activities. For \$25, what more could a person ask than the opportunity to go salmon fishing with a group of his friends on a charter boat, fresh water fishing with other members and their families, have a salmon bake, a clam feed, or attend a banquet especially for the ladies. But there's more - he can shoot on the club range, go rabbit hunting, and if nothing else, should get \$25 worth just by watching the kids of the community have a real ball at the Kid's Fishing Derby. To sum it all up, a guy gets at least a hundred dollars worth of fun out of a year's membership.

Bowman Bay Trip

Our annual Fresh Water Fishing Derby was a success with everybody having a great time. The weather was good most of the time during the day but we did have a few showers. Of course it poured during the pot luck but thanks to the large covered shelter it went off without a hitch.

On Saturday we had our Fresh Water Fishing Derby. For the children's age group Macy Olszewski won for most fish caught and Mackenzie Jennings for biggest fish caught. For the Adults Karyn Palmquist won both most fish caught and biggest.

On Sunday we had the first annual Craw Fish Run with Macy Olszewski's craw fish winning this event.

Macy and Mackenzie show their days catch.
