At the April club meeting our guest speaker will be a Biologist from the Washington State Fish and Game Department to talk about the science of Crab. This should be an informative meeting on the life cycle of Crab and their habitat. See you at 7:00 PM April 5<sup>th</sup>. †

## Terry Rudnick Guest Speaker at May Meeting

Our May Club meeting on Wednesday May 3<sup>rd</sup> will feature guest speaker Terry Rudnick of the Washington State Game Department. Terry's topic will be on Halibut Fishing in Washington. For those of you that don't know Terry, he is the author of many fishing related books and youth fishing coordinator for Washington State. He is a renowned lecturer at many of the local sportsman show's and

very knowledgeable on all types of fishing in Washington State. †

## Volunteers needed for "Fishing Kids" Event at Green Lake

The Department of Fish and Wildlife has asked us to provide volunteers to help with their "Fishing Kids" event at Green Lake on April 22<sup>nd</sup>. This event gives kids, ages 5 – 14, an opportunity to catch a couple Rainbow trout from a penned area in the lake. Volunteers will do things like sign kids in, help them fish or clean the fish they catch. It sounds like a lot of fun and they say the time goes by very quickly, since they expect around 500 kids. We will be meeting behind the Bathhouse Theater on Green Lake at 7:30 am that day and should be done around 3:00 pm. For information, call Greg Boyd at 206-818-4469 or you can find more general

information about the event on the web at...

## Bowman Bay Fishing Trip

Our annual Fresh Water Fishing Derby and craw fishing trip will once again be at Bowman Bay, in Deception Pass State Park. We have chosen the Weekend of June 9<sup>th</sup> - 11<sup>th</sup> which coincides with the states Free Fishing weekend, so you won't even need a license for this outing.

We will have a Saturday night Potluck and maybe a Sunday Brunch.

If you are interested in going on this annual trip contact Jerry Mascio at 206-719-3528 to claim your spot now. Jerry has only 5 spots left and all spots are on a first to pay first to get basis. The combined cost for Friday and Saturday nights camping spots are \$39.00. †

## Quincy Fishing Trip

April 14<sup>th</sup> - 16<sup>th</sup> will be our Quincy Fishing trip to the Quincy Wildlife area in Eastern Washington. With this being Easter weekend I plan on going over Wednesday or Thursday (as my daughter has the week off school) and coming home on Saturday.

We will be camping at Quincy Lake right on the shore, so you can launch your boat and pull it up next to your camp when your not out fishing.

This is a primitive camp site but is still RV accessible and has pit style toilets. The lake has a boat

ramp and is stocked with Trout. We are planning on having a Friday Night Pot Luck dinner.

Other lakes in the area also have yellow perch, crappie and bluegill. Evergreen Lake is reportedly good for Yellow Perch while Burke, Dusty and Quincy are best known for there trout. Quincy Lakes Wildlife area is approximately 156 miles away and a 2 ½ to 3 hour drive. To get there take I-90 East to George and then Highway 281 North to Road

Last Years Camp Site

5 NW and turn west (left). Drive to White Trail Road and turn left again. Stan Coffin Lake is the first lake on the left, followed by Quincy, Burke, and then Evergreen. †

## Razor Clamming Trip

Razor clamming opens April 28<sup>th</sup> - 30<sup>th</sup> for digging on the morning tides. Aberdeen tides for these dates are as follows: Friday April 28<sup>th</sup> at 8:17 AM is a -1.9, Saturday April 29<sup>th</sup> at 9:02 AM is a -1.9, and Sunday April 30<sup>th</sup> at 9:47 AM is a -1.6.

A group of us are going to the Ocean City area to take advantage of these great tides. We will be staying at the Blue Pacific Motel and RV Park [www.bluepacificmotel.com](http://www.bluepacificmotel.com) Phone 360-289-2262.

I highly recommend this place. We stayed here last year and had a great time. The rates were very reasonable, with full hook-ups and cable. The sites had a picnic table and a fire pit, plus they had a large covered area to clean clams complete with sinks. The people that ran the park were great. If you wish to join us I suggest you call for reservations as soon as possible, as I think they may fill fast. †

## Youth Conservation Camp

Each year we sponsor 1 boy and 1 girl to go to Conservation Camp on Orcas Island. Conservation Camp is held in July with girls going July 16<sup>th</sup> - 22<sup>nd</sup> and boys going July 23<sup>rd</sup> - 29<sup>th</sup>. Children will participate in training and field activities such as

Wildlife & Habitat Management, Firearm & Archery Safety, Hiking & Outdoor Survival, Fly Tying & Casting, Ecology & Water Safety, First Aid & CPR, and Leadership & Team Work. As a way to determine whom we will send, we will have a little essay-writing contest. All your children need to do is write in 100 words or less "Why I Want To Go To Camp" and turn it into the board of trustees at the May Club Meeting.

The board of trustees will select 1 boy and 1 girl from the entries received as the winners. The contest is open to all children ages 12 to 16. Entries may be turned in to any officer or trustee on or before the May club meeting or by mailing to:

The West Seattle Sportsmen's Club

P.O. Box 16258

## Potholes Fishing Report

Three groups of us went to Potholes Reservoir the weekend of March 24<sup>th</sup> - 26<sup>th</sup> to do some Perch fishing.

We did not catch a thing and many locals said the lake was still too cold. Moses Lake was reportedly the hot spot to be the week prior but it had slacked off there as well. We did have a nice camp out anyway and did not get rained on. †
