## July Meeting, Shoot and Toot

### Shoot and Toot

At Our next club meeting on July 5<sup>th</sup> we will be having our annual Shoot and Toot Chile Cook-off and Shooting Competition. Bring a crock of your favorite Chile and compete with other club members to see whose recipe will win.

For our shooting competition we will go on to the range and see who can shoot the best. The club will provide Air Pistols, or you may bring your own. Fred has figured out an interesting target set up for us and we will see who can hit the target the most and score the highest.

We will also have a short meeting to talk about the upcoming Kids fishing derby,

Smelting trip, Salmon Bake and possibly some other outing ideas. See you July 5<sup>th</sup>, 7 PM at the range. †

### Kids Fishing Derby

The annual Hi-Yu kids fishing derby will be on Sunday July 16<sup>th</sup> from 8 AM to 11 AM at Seacrest Marina. This summer event for the children of our com-

### SMELTING TRIP

**Note date change!**

To take advantage of better tides the smelting trip has been changed to the Weekend of August 11<sup>th</sup> – 13<sup>th</sup>.

We plan to stay, once again, at the Hoh River RV Park and Resort, 175443 Hwy 101 S., Forks, WA. (the actual Smelting will be at the nearby ocean beaches). The camp sites at this park are flat and grassy good for both tents and RV's.

A limited number of cabins are available to rent, if you are interested in these, contact the Hoh River RV Park and Resort at 360-374-5566 to reserve.

We will be having our usual Pot Luck on Sat-

urday night and I'm sure Jerry will have his deep fry going to cook up some of those Smelt.

We will be needing a count of how many plan to attend. For more information or to reserve a spot contact Jerry Mascio at 206-937-3614 or e-mail us at [info@westseattlesportsmen.org](mailto:info@westseattlesportsmen.org) and put "Smelting Trip" in the subject line.

We will have more information at the July club meeting and in the August newsletter. †

It is always a lot of fun helping the kids catch their fish, for many this may be their first time. I bet all those who have volunteered in the past will tell you they had as much fun as the kids. If you can help please contact Cam Robison at 206-431-8337. †

## Bowman Bay Recap

Our Bowman Bay trip went well with the weather cooperating and all who came having a great time. We had a great potluck with fresh rock cod, caught that day by Mike Chong and his brother not to mention all the other goodies we had.

Jerry adding fuel to the fire?

We really hit the jack pot craw fishing at Pass Lake, we probably caught the most we ever have. Trout fishing at Heart Lake was a bit slow with yours truly catching the most, a whopping 2.

If you did not make this year's trip try to come next year. I'm sure you will have a great time.

## Conservation Camp Winners

Our Conservation Camp essay contest is over. We received 3 entries for camp, 2 Girls and 1 Boy.

After reading their essays we decided that we could not decide who won, so we voted to send them all.

Congratulations to Mackenzie Jennings, Kelli Moseley, and Antonio Varchetta. They will all be off to camp in July. We look forward to hearing about their experiences when they return. †

#### Sweet Pickled Beaver

We found this honest to God recipe on the net (so you know it must be real). We wouldn't steer you wrong, so we verified that you can (snicker) eat beaver and although we admit we've never tried this one, we just had to include it so we could all share in the laughs as you read the cooking procedure.

#### Ingredients:

- 1 Beaver, skinned and cleaned
  - 1/2 cup of vinegar
  - 1 pound of salt
  - 2 teaspoons of soda
  - 2 tablespoons of dry mustard
  - 3 tablespoons of mixed pickling spice
  - 1 teaspoon of cinnamon
  - 1/2 teaspoon of ground cloves
  - 1/2 cup of brown sugar
  - 1/2 cup of dry white wine or apple juice
  - 1 cup of pineapple juice
  - 1 juiced and grated rind of a lemon
- Wash your beaver thoroughly with salt water, then let it soak overnight in enough cold water

to cover, adding 1/2 cup vinegar and 1 tablespoon salt to the water.

The next day, remove your beaver from the brine. Wash and cover your beaver with a solution of 2 teaspoons soda to 2 quarts of water. Bring to a boil, reduce heat and simmer 10 minutes.

Drain and rinse your beaver, then place it in a clean pot. Add water just to cover. Sprinkle mixed pickling spice on top,

bring to a boil, reduce heat and simmer 20 minutes.

Drain and rinse your beaver again, pat it dry and place it in a roaster.

Mix mustard, spices, sugar, wine and fruit juices and spread it over your beaver. Cover and roast your beaver at 325 degrees F. until it is tender (or to your liking), basting it frequently. Eat Beaver. †

## **Clam Bake**

Our annual Club Clam Bake was held on May 31<sup>st</sup> at Lincoln Park. We had a moderate turn out this year and plenty of good seafood. Jerry made up a batch of his, best ever, Clam chowder and Roz made some wonderful Crab Cakes. We also had our usual assortment of other goodies as well. The weather did start to rain toward the end but it was a very warm rain and we had a sheltered picnic area.

Special thanks to everyone that helped with this event from clam diggers, to cooks, to those that helped setup and cleanup. †
