Fish Fry Wed Sept 6th at Meeting

September Club Meeting

At our September Club Meeting we will be having our annual fish fry with lots of good fish, calamari and what ever else we can put into hot oil. After a good meal we hope to have the kids that we sent to conservation camp stop by and tell us a little about what they got to do there. We then hope to start planning out a few of our upcoming events such as bird hunting at Brewster and Wapato, crabbing at Jerry's and Roz's place in Birch Bay, our Salmon Derby which will be September 23rd – 24th (a 2-day event this year), and deer hunting in Northport. †

Hunting Season Dates set by WDFW

The Washington State Department of Fish and Wildlife (WDFW) have published the 2006-2007 hunting dates.

Listed below are some of the dates for Eastern Washington which we usually plan club outings for.

Quail, Chukar and Gray Partridge Oct. 7, 2006 - Jan. 15, 2007, Pheasant Oct. 21, 2006 - Jan. 15, 2007.

For a complete list of dates, species and locations see the WDFW web site at <http://wdfw.wa.gov/wlm/game/seasons.htm> †

Up Coming Officer Elections

We will be having Club Officer elections at our November 1st Club Meeting. Positions up for renewal are President, Vice President, Secretary, Recording Secretary, Treasurer, a 1 year Trustee and a 2 year Trustee.

We will be accepting nominations for these positions along with those recommended by the nominating committee at the October club meeting. Be thinking about whether you would like to run for office, or if you know someone you think would be good at it.

New officers will take over at the January club meeting. †

2nd Annual Club Salmon Derby

We have set the date for our 2nd Annual Club Salmon Derby. It will be on the weekend of September 23rd – 24th, a 2 day event this year and you can fish one or two days, your choice. Weigh-ins will be held each day and the biggest salmon caught over the 2 days will be the winner.

Derby tickets will be \$15 and available for sale at the September Club meeting, each person fishing from your boat will require a ticket.

Grand prize will be a G-Loomis salmon fishing rod, valued at around \$200. Second and third place prizes will be awarded and are yet to be determined.

Come to the September club meeting to learn more about it and help us plan it out.

We are considering having the event at the Kingston marina but would really like to have member input on this.

Some of the particulars on the Kingston Marina are:

They take reservations for half their transient moorage.

Charge .60/ft + \$3 utilities per night.

They recommended calling in a week ahead of time to reserve a spot.

Final rules and information will be posted on the club website after the September meeting, select the calendar link and go to September 2006 and follow the Salmon Derby Link from there.

Lake Washington Sockeye fishing

I hope you were all able to make it out to Lake Washington this year for one of the best Sockeye seasons I can remember. On the boat I was on we

fished most of the open days (except the opening weekend) and took in about 55 Sockeye total for the season. That was fishing with 4 poles out most of the time. Our

best fishing seemed to be in the morning but we did pick up a few in the evenings. Here are a few pictures from our trips. †

Crabbing in most areas of Puget Sound will close after the Labor Day weekend

OLYMPIA – The Washington Department of Fish and Wildlife (WDFW) reminds sport crabbers that eight areas of Puget Sound will close to recreational crabbing for a catch assessment after the Labor Day weekend.

The scheduled closure will begin Monday, Sept. 4 at one hour past sunset in marine areas 6 (eastern Strait of Juan de Fuca), 7 South (San Juan Islands), 8-1 (Deception Pass to East Point), 8-2 (East Point to Possession Point), 9 (Admiralty Inlet), 10 (Seattle/Bremerton), 11 (Tacoma/Vashon) and 12 (Hood Canal).

Prior to the closure, crabbing in those areas will be open two extra days – Sunday, Sept. 3 and Monday, Sept. 4 – through the Labor Day weekend. Usually, crab fishing is limited to Wednesdays through Saturdays in those eight marine areas.

“Under the season schedule, recreational crab fishing will be open for six straight days in most areas of Puget Sound before the closure takes effect,” said Lisa Veneroso, a WDFW shellfish manager. “That’s a popular time to get out on the water.”

In October, once the catch assessment is completed, WDFW will reopen crab fishing in waters where the catch has not met area quotas, Veneroso said. Several areas of Puget Sound will not be affected by the Sept. 4 closure, including marine areas 4 and 5 (western Strait of Juan de Fuca), 13 (southernmost Puget Sound) and the eastern and northern portions of Marine Area 7 (Anacortes to Bellingham and Point Roberts). †
