Brewster Quail Hunting Oct. 6th - 9th

Brewster Quail Hunting

We're going quail hunting for the October 6th opener in the Indian Dan Canyon portion of the Wells Wildlife Area, located near Brewster, WA., about 64 miles north of Wenatchee.

Camping is available in the town of Brewster at the Columbia Cove RV Park or there's primitive camping in Indian Dan Canyon. Most of us will stay in the canyon, but remember there's no water available there and the pit toilet isn't always usable.

To get there take Highway 97 north from Wenatchee (about 62 miles) and turn left on Indian Dan Canyon Road (this is before the town of Brewster). Take the first left hand Y in the road, this should be

Getz road and follow till you come to a small lake on the left, follow the road around the lake and we will be camping here Friday thru Tuesday.

If you are interested in going on this trip and need better directions contact Fred Burr otherwise we will see you there. †

October 3rd Club Meeting

At our next club meeting our featured speaker will be junior club member Steven Loo, who will be talking about the Wild Boar hunting trip in California that he and his father went on.

We will also be talking about our up coming Quail Hunting trip to Brewster and possibly a few other trips we have planned to Brewster and Whapato.

At our last meeting we discussed a proposed by-laws change that will be voted on at this meeting (see Proposed Bylaws' Change on page 4 for complete text).

Our nominating committee will give us their recommendations for our 2008 officers' elections which will be held at the November Club meeting. We will also be accepting nominations for this election from the membership at large.

See you all October 3rd at 7:30 PM. †

Garage Sale

Our Club Garage sale went very well. We brought in over \$1200 to use toward the purchase of our new projector. Thanks to all who helped at the sale and all those that donated items to be sold. Special thanks to Rob Cozens for letting us use his garage to hold the sale in. This was a fantastic location to have the sale at. †

Junior Members Win State Skeet Titles

Two club junior members Stephanie Loo and Steven Loo competed in the "67th Washington Skeet Shooting Association Championships" held in Spokane, WA, July 27th – 29th. The competition was three days of shooting with 600 registered targets by NSSA in all four shotgun gauges and doubles. You have to qualify to shoot the state match by shooting 500 registered targets in competition during the year prior to the state shoot. Steven won 'Junior Division State Champion' and Stephanie won 'Sub-Junior Division State Champion' (Sub-Junior is 14 and under and Junior is under 18). They also won several 'sub divisions' events. This is the second time Stephanie has won the title (her first win was in 2004) and the first time for Steven.

To the right is a photo of Steven and Stephanie with their state perpetual trophies. Also pictured is their Grandfather Al Quon an avid skeet shooter and at the young age of 87 still shoots skeet twice a week and very well. Al won "A Class" several times throughout the

1960's. Congratulations to Stephanie and Steven in their accomplishments! †

Pikeminnow Reward Fishery

Pikeminnow reward fishery extended through Oct. 14.

OLYMPIA - Anglers fishing for northern pikeminnow on the Columbia and Snake rivers will have two additional weeks to redeem their catch for cash rewards at registration stations staffed by the Washington Department of Fish and Wildlife (WDFW).

High catch rates in recent weeks have persuaded department officials to extend the reward fishery - designed to reduce the number of northern pikeminnow in both river systems - through Oct. 14, said Eric Winther, WDFW project leader. Northern pikeminnow are voracious predators of young salmon.

"Our mission is to remove a portion of the largest northern pikeminnow from these waters, and fishing is very good right now," Winther said. "That's why we're extending the reward period."

Depending on how many they catch, anglers participating in the program earn \$4 to \$8 for each northern pikeminnow measuring at least 9

Proposed Bylaws' Change

A motion to update the bylaws to increase the amount of discretionary funds that can be used to buy Club supplies without a vote of the membership from \$20 to \$200 was brought before the membership at the Septem-

ber club meeting. This motion was seconded and is to be voted on at the October 3rd club meeting.

If passed this motion would revise Article XIII, Section 8 of the Club Bylaws which currently reads as:

“The Board shall have the power to authorize payment of all legitimate bills for Club business if such bills are not in excess of twenty (\$20.00) dollars.”

To read as:

“The Board shall have the power to authorize payment of all legitimate bills for Club business if such bills are not in excess of two hundred (\$200.00) dollars.” †
