Brewster Quail

Hunting Trip

We're planning a quail hunting trip for the October 6th opener at the Indian Dan Canyon portion of the Wells Wildlife Area, located near Brewster, WA., about 64 miles north of Wenatchee. Camping is available in the town of Brewster at the Columbia Cove RV Park or there's primitive camping in Indian Dan Canyon. Most of us will stay in the canyon, but remember

there's no water available there and the pit toilet isn't always usable.

To get there take Highway 97 north from Wenatchee (about 62 miles) and turn left on Indian Dan Canyon Road (this is before the town of Brewster). Take the first left hand Y in the road, this should be Getz road and follow till you come to a small lake on the left, follow the road around the lake and we will be camping here Friday thru Tuesday.

If you are interested in going on this trip and need better directions contact Fred Burr. Otherwise we will see you there. †

Deer Hunting Trip at Northport

Steve Patnode will be headed up to Northport on October 15th for his annual deer hunting trip. You can contact Steve at 206-937-5233 if you're interested in meeting up with him there.

Motions to be voted on during the September Meeting

First Motion: Vote on the purchase of a computer projector to use for Hunter Safety courses and also club meetings and functions. The money to purchase this will come from donations, proceeds from the garage sale and from the general club operational fund.

Second Motion: We would like to increase the dollar amount that Club Officers can approve to be paid without a vote, from \$20 up to \$200. Currently Article XIII, section 8 of the by-laws reads...

The Board shall have the power to authorize payment of all legitimate bills for Club business if such bills are not in excess of twenty (\$20.00) dollars.

The proposal would be to change that section of the by-laws to read...

The Board shall have the power to authorize payment of all legitimate bills for Club business if such bills are not in excess of two hundred (\$200.00) dollars. †

Reminder!

Please report your Summer Puget Sound Crab catch by September 15th.

Barkley Sound Report

Earlier in the year, we put out an invitation for club members to join us on a trip this Summer up at the Canadian Princess Resort at Barkley Sound. Jerry and Roz joined Tony, Jay and Greg on our trip and we all had a great time. This charter strictly jigs Point Wilson Darts and uses pretty much the

same jigs for salmon, halibut, ling cod and rock fish. Jigging for salmon isn't as efficient as trolling up there so we only did fair on salmon. Jay picked up a couple nice chinook that weighed in the high teens and Roz caught a very nice chinook in the mid-twenty's.

We did catch some smaller chinooks (or springers as the Canadians call them) and also some coho, but most of the coho were wild so they had to be released. We did much better with the bottom fish. Since there was a lot of current and wind I didn't think vertical jigging the dart was working very well and switched to a white Berkley 8" Power Bait Grub on an 8 oz. lead head. I just let out line periodically to keep it on or near the bottom and couldn't keep the ling cod off it. I ended up catching 9 ling and 5 small hali's in two days and Tony picked up a nice 25 lb ling on the same grub. The Power Bait grub worked great on rock cod also. I trimmed an 8" grub down and put it on a 4 oz. lead head which the rock cod loved. Once we limited the boat out on rock cod I decided to keep using it and try to pick up another ling. Never got that last ling, but a nice 64 lb hali decided that it looked pretty good.
