### Smelting Trip

We have picked the Weekend of August 1<sup>st</sup> – 3<sup>rd</sup> to go on our annual smelting trip to the ocean near Forks. We plan to stay at the Hoh River RV Park and Resort, 175443 Hwy 101 S., Forks, WA. (the actual Smelting will be at the nearby ocean beaches).

The camp sites at this park are flat and grassy good for both tents and RV's, full hookups are \$25 per night and partial hookups are \$21 per night. No RV dump.

There are a few B & B in the area if you are interested in this and motels in Forks.

If you are interested in going on this outing please give Roz Mascio a

call at 206-937-3614 or email at roz@wssportsmen.org and let us know so we can get an idea of how many will be there. †

## Alaska Trip

By Tom Kocir

We left Seattle June 20<sup>th</sup> and experienced a blow-out of the passenger inside rear tire, after having the tires checked at Les Schwab on Fourth in Seattle. After a replacement of all our tires in Mount Vernon we were on

our way again. The first night was uneventful but the second night we were visited by three Grizzly Bears, what an

awesome site. They sniffed around the motor home and pulled a bungee cord on the cooler we had on the back, when it snapped back on the cooler you could hear the bear scamper away. They were even there the next morning munching grass like it was nobodies business.

Along the way we saw more Bears (black and grizzly), moose (dead and alive), bison, deer, eagles, big-horn sheep along the road, coyotes, something that looked like mink and even picked up a couple of sheds.

The scenery was fantastic and the roads were pretty good too. We took the ALCAN up and the Cassair Highway down and both were breathtaking, it was definitely a once in a lifetime trip and I was lucky enough to share it with my Daughter Jennifer, my Grandson Manny and my real good friend Rick Robbins who is also a member. I would do it again in a heartbeat if I won the Lottery.

Oh yeah and we even caught fish. We only got one King on the Kenai that was 54 lbs and we all limited out on Halibut the largest of which was 135 lbs. †
