Shoot & Toot Wednesday July 2, 7:30 PM at the Range

Shoot and Toot

At Our next club meeting on July 2nd we will be having our annual Shoot and Toot Chile Cook-off and Shooting Competition. Bring a crock of your favorite Chile and compete with other club members to see whose recipe will win.

For our shooting competition Fred has something new planned for us. It is target shooting with either 22's or Air guns and it will all be explained at the meeting. Come on down, eat some good Chile, try your luck shooting and see who wins the competitions.

We will also have a short meeting to talk about the upcoming Smelting trip, Salmon Bake and possibly some other outing ideas. See you July 2nd, 7 PM at the range. †

Club Clam Bake

We had our club clam bake at Lincoln Park on June 4th.

Jerry out did himself again with the meal he planed and made with the help of a few friends. We had a pretty good turn out even if it was a little cool at the park that night. It did not rain, which says a lot for this spring. †

Smelting Trip

We have picked the Weekend of August 1st – 3rd to go on our annual smelting trip to the ocean near Forks. We plan to stay at the Hoh River RV Park and Resort, 175443 Hwy 101 S., Forks, WA. (the actual Smelting will be at the nearby ocean beaches).

The camp sites at this park are flat and grassy good for both tents and RV's, full hookups are \$25 per night and partial hookups are \$21 per night. No

RV dump. One cabin is available to rent for \$65 per night, if you are interested in this, contact the Hoh River Resort at 360-374-5566 to reserve one. If you are interested in going on this outing please come to the July club

meeting and let us know or contact Roz Mascio 206-937-3614 so we can get an idea of how many will be there. †

Alder Lake Trip

There were not many fish or much fishing but what a nice weekend. That pretty much sums up our Alder Lake camping trip. The weather was very nice and the campground was too. The wind was a little strong on the lake for some of the smaller boats so we tried going

Alder Lake from campsite

to nearby Mineral Lake but it was so crowded you could not even park at the boat ramp. We tried putting the craw fish pots in at Alder Lake but did not get a single Crawfish. Mike,

this lake again in the future and hopefully we will spend a little more time fishing. †

Jerry and Cam did manage to catch a Kokanee or two but that was about it.

Much time was spent talking around the campfire enjoying good food and the good weather that we had. I look forward to going back to

WDFW invites hunters, others to help develop hunting seasons for 2009-2011

OLYMPIA – The Washington Department of Fish and Wildlife (WDFW) is inviting hunters, conservation groups and the general public to help shape state hunting seasons for 2009-11.

Through July 13, WDFW will accept public comments on issues ranging from general hunting hours to mule deer seasons. A questionnaire on those issues is posted on the department's website at <http://wdfw.wa.gov/wlm/game/seasonsetting/index.htm>.

Hunters and others can also suggest their own ideas for future hunting seasons, said Dave Ware, WDFW game manager.

"This is the first of several opportunities people will have to participate in developing hunting seasons for the next three years," Ware said. "We have certain management goals that we must meet, but we want to involve hunters and other members of the public in helping us determine how best to achieve them." Once the first comment period is over, WDFW will assess recommendations received from the public and use them in developing various season alternatives and proposed hunting regulations for 2009-11, Ware said.

In mid-August, WDFW will post those alternatives for public comment on its website and kick off a series of public meetings throughout the state. Evening meetings are planned Aug. 25 in Everett; Aug. 26 in Aberdeen; Aug. 27 in Tacoma; Aug. 28 in Vancouver, Wash.; Sept. 2 in Wenatchee; Sept. 3 in Spokane Valley; and Sept. 4 in Pasco. Specific times and locations of those meetings will be announced in July.

In March and April 2009, the Washington Fish and Wildlife Commission will take public comments and consider adopting the proposed hunting seasons.

WDFW will provide regular updates on the hunting season-setting process via the WDFW website noted above. Interested citizens can also receive updates through the mail by calling (360) 902-2515 and asking to be added to the mailing list. †
