Fish Fry September 3rd, 7:30 PM at Range

Next Club Meeting

We will be having our annual fish fry at the next club meeting on Wednesday, September 3rd, at 7:30 PM at the range. While we did not catch any smelt to have we are looking into buying some and we have some Halibut donated by some of our members.

Quail Hunting Trip

With Quail hunting opening October 4, 2008 in Eastern Washington we are planning a hunting trip to Brewster, located about 64 miles north of

Wenatchee. Rather than going opening weekend we are earmarking the following weekend, October 10th – 12th, for our trip with some of us going up on Wednesday October 8th.

There are 2 places to stay in Brewster, one is in the town of Brewster at the Columbia Cove RV Park and the other is a primitive camping area in the Indian Dan Canyon portion of the Wells Wildlife Area. Most of us will stay in the canyon, but remember there's no water available there and no toilet.

To get to Indian Dan Canyon take Highway 97 north from Wenatchee (about 62 miles) and turn left on Indian Dan Canyon Road (this is before the town of Brewster). Take the first left hand Y in the road, this should be Getz road and follow till you come to a small lake/pond on the left, follow the road around the lake and we will be camping here.

If you are interested in going on this trip and need better directions contact Fred Burr or come to the next club meeting and I'll try to have some maps available. Otherwise we will see you there. †

Youth Conservation Camp

As you know each year we sponsor one boy and one girl, age 12 to 15, to send to the Washington Sate Youth Conservation Camp at Camp Moran, on Orcas Island. This year we sponsored Nathan Kirvan and Kaira Liston. We received thank you letters from both of them and they are reprinted to the right and on page 2 for your reading enjoyment. Both Nathan and Kaira had a wonderful time at camp as you will see from their letters. †

Dear West Seattle Sportsmen's Club,

Thank you many times over for the opportunity given to spend the week here at Camp Moran. I had a great time, and learned quite a lot! I learned archery (and earning a couple of trophy bouis along the way), fire arm safety, about recycling, about our environment and the wild life inhabiting it, about water safety and how to make a plenty out of paints (awsome), as well as many other things. Besides the learning experiences, I also made some new friends! Overall, it was a very enjoyable week, with the only things to complain about of being slightly uncomfortable beds and sore legs from our 7-mile hike. This is definitely something I would like to do again.

Thank you, from the bottom of my heart,

Kaira Liston

Youth Conservation Camp continued from Page 1

Dear West Seattle Sportsman's Club, I would like to thank you for sponsoring me for Camp Moran. I have learned how to shoot a compound bow, and I learned how to shoot a gun safely, and how to perform CPR without using mouth to mouth. My favorite activity here is archery because I am really into the medieval kind of stuff. The kids at this camp are really fun to be around, granted there are no girls I still have so much fun here. Again, thank you for sponsoring me.

Sincerely,
Nathan Kirvan
