Rob Cozens and few others have been busy trying to start a Junior Air Pistol program at the Robert Dahl Rifle range for the last year or so. Working with the Washington State Rifle and Pistol Association (WSRPA), (5) Steyr LP2 Compact Air Pistols have been made available to the club for use in this effort. While

these guns remain the property of WSRPA, they are for the express purpose of starting this program at the Robert Dahl range. Along with the one Junior Air Pistol our club has already purchased we now have 6 available for this purpose. We have 8 positions available at our range and a proposal has been brought before the Board of directors to purchase 2 Steyr LP2 Compact Air Pistols so that we will have one available at each position. The list price for 2 of these guns is \$3,150. With the current devaluation of the EURO there is a very good chance, if we act fast, that we may be able to get these at a substantial *Continued on page 2*

Clean Club and Full Stomachs

We would like to thank all of those that showed up for the chili/clean-up night! The floors were moped, tables, counters, and chairs were wiped down. We got some of the pulleys tightened up, swept the paper up from the range and a lot of vacuuming was done. There was even a little time to sit and enjoy that chili that we all worked so hard for. Boy, did it taste good after

all of that work. When everyone pitches in a little bit it can make a big difference. Thank you again for your help!

Kids Fishing Event Recap

We held our Kids fishing event on Saturday, May 15th at Seacrest Park. This is an annual event we put on for the children of our community. The weather cooperated and we had a beautiful day down on the water front. We had around 130 children show up and try their luck catching 1 or 2 Rainbow trout provided by the state fishery department.

 we had a lot of really big fish in the pond for them to catch, which made all the more exciting for them. In addition to their fish each child that wanted one received a picture of them with their catch. We had several Hi-Yu princesses' show up again this year and help the kids fish, bait hooks, and even remove the fish from the hooks. The girls were a big help and we really enjoy having them come to the event. We wish to thank them and all that volunteered their time to helped put on this event. Your help has made this a very memorable event for many children and helped introduce them to the fun of fishing.

 discount from this price, but as we cannot count on this the proposal is as follows:
 It has been proposed that the Club purchase two (2) Steyr LP2 Compact Air Pistols at a total cost of no more than \$3,150 for use in the development of a Junior competitive air pistol shooting team. The pistols would be the property of the West Seattle Sportsmen's Club (WSSC). The money for the purchase of these guns would be taken from the range fund. The vote will be at the Clam Bake on June 9th.

Summer Air Pistol League

Join us on Tuesday nights this summer for some fun and friendly competition at the range. Summer Air Pistol league starts on June 22 at 6:30 PM. This is for all levels from beginner to expert and a great opportunity to learn how to shoot. If you don't have an air pistol the club has loaners available for you to use. You have 6 weeks to complete 5 matches so you can miss a week for vacation and still finish. If you have ever wanted to try shooting in a competition, but never felt comfortable as a beginner, this would be a great time to give it a try. I hope to see you at the Range on Tuesday, June 22nd.
