Chili and Cleaning May 13th

Helping the Club While Eating Chili May Meeting

Everybody mark your calendars for 6:00 PM Thursday May 13th. We will be meeting at the club for an evening of cleaning and chili.

We have all gotten a lot out of the club whether it has been camping, fishing, hunting, training and knowledge or perhaps its been the great food. Maybe you can say all of the above. Well, it's time for us to give something back to the club and put some effort into it.

This will be a great chance for you to show your support for the organization. We hope to see many of you there so we can make the club more enjoyable for all.

The meeting for May will be held on May 5th at 7:30 PM at the range. Our topic this month will include the June fishing trip at Banks Lake. We will also be making Walleye jigs for those going fishing. Those jigs will be available for sale at the end of the meeting for the cost of supplies.

Fishing Derby

They kids fishing derby will be held on May 15th this year. We will be at Sea Crest Park in Seattle again this year. This event is free for kids so bring your kids or grand kids down for some old fashion fun.

We are always looking for volunteers. We will need people for setting up and some for watching the fish over night on Friday. We will also need help on Saturday. We will be baiting hooks, setting up poles, helping kids fish, and cleaning up.

This is a great way for our club to reach out and give back to the community. Lets all remember that while we are out there we are representing the West Seattle Sportsmen's Club and we need to be on our best behavior.

Youth Conservation Camp

Each year we sponsor 1 boy and 1 girl to go to Conservation Camp on Orcas Island. Conservation Camp is held in July with girls going July 18th - 24th and boys going July 25th - 31st. Children will participate in training and field activities such as Wildlife & Habitat Management, Firearm & Archery Safety, Hiking & Outdoor Survival, Fly Tying & Casting, Ecology & Water Safety, First

Aid & CPR, and Leadership & Team Work. As a way to determine whom we will send, we will have a little essay-writing contest. All your children, grandchildren, nieces or nephews need to do is write in 100 words or less "Why I Want to Go to Camp" and turn it into the board of trustees at the May Club Meeting.

The board of trustees will select 1 boy and 1 girl from the entries received as the winners. The contest is open to all children

ages 12 to 16. Entries may be turned in to any officer or trustee at or before the June club meeting or by mailing to: The West Seattle Sportsmen's Club P.O. Box 16258 Seattle, WA 98116

The Deadline has been extended to the June Meeting.

For more information on the camp see please see their web site at <http://www.washingtonconservationcamp.org/>

June Fishing at Banks Lake

The fishing trip for Banks Lake is fast approaching. It will be on the first weekend of June, the 4th – 6th. There will be Walleye, Bass, and Trout fish we will be fishing for.

There should still be plenty of fish left out there to get. The Walleyes are supposed to be good eating so make sure you read up on the best way to catch those.

All of our slots have been filled at Banks Lake but there are other lakes and campgrounds in the area to stay at. There is Blue Lake, Soap Lake, Steamboat rock State Park, and Coulee City to start with.

Make sure you pay for your reservations at the May meeting. You'll need to pay ahead of time so you won't lose your spot. All money can be turned in to Greg.†

Workshop scheduled to discuss report on Lake Washington sockeye salmon

OLYMPIA - The Washington Department of Fish and Wildlife (WDFW) will host a public work-

shop May 26 in Issaquah to discuss a recent report that provides an analysis of data that could be used in determining management goals for sockeye salmon returning to Lake Washington and the Cedar River.

The workshop is scheduled from 6-8 p.m. at WDFW's Issaquah Hatchery, 125 W Sunset Way. During the meeting, WDFW staff will discuss the report, which is based on an independent review Lake Washington sockeye salmon populations, including the Cedar River stock.

The report provides an independent assessment of the biological characteristics of Lake Washington sockeye, including productivity and returns per spawning fish, said Jim Scott, assistant director of WDFW's fish program.

"This information provides a starting point for discussions with tribal co-managers, our constituents and other stakeholders about future sockeye salmon management in Lake Washington," Scott said. "We'd like to hear from anglers and others interested in Lake Washington sockeye as we look into the pro-

ductivity of these fish in the watershed and how we currently manage our sockeye fisheries there."

The report, entitled "Cedar River and Lake Washington Sockeye Salmon Biological Reference Point Estimates," is available on WDFW's web site at http://wdfw.wa.gov/fish/papers/cedar_lk_wash_sockeye/.

The recreational sockeye fishery in Lake Washington last opened in 2006, when about 470,000 sockeye returned to the watershed. Currently, a return of more than 350,000 sockeye is needed before fishery managers will consider opening a recreational fishery in the lake.

Shrimp Season Opens

Fishing will be open in the following areas:

- **Marine Areas 4** (east of the Bonilla-Tatoosh line), **5 and 6** (excluding shrimp districts), will open daily beginning May 1 at 7 a.m. The spot shrimp season closes when quota is attained or Sept. 15, whichever comes first.
- **Discovery Bay Shrimp District (Marine Area 6)** will be open May 1 and 5 from 7 a.m. to 3 p.m. Additional dates will be announced if sufficient quota remains.
- **Marine Area 7** opens May 1 at 7 a.m., and will be open on May 5, 6, 7, 8, 21 and 22. Additional dates will be announced if sufficient quota remains.

Sour Cream Pheasant Enchiladas

- 4 Whole Pheasant Breasts (cook in wine or salsa for 3 hours and chop)
- 2 Cans of Cream of Chicken Soup
- 1-Pint Sour Cream
- 4 oz. Chopped Green Chilies (save some for Garnish)
- 1 Dozen Flour Tortillas
- ¾ Cup Chopped Onions
- 3 Cups Grated Cheddar and Monterey Jack Cheese

Preheat oven to 350° and grease a 9 x 12 inch casserole dish. Mix pheasant meat, soup, sour cream and chilies together. Spread a thin layer of the pheasant mixture down the center of each tortilla (reserving some of the pheasant mixture for the top). Sprinkle in the chopped onion and the cheese (reserving some cheese for the top). Roll up the tortilla and place seam side down in the dish. Pour remaining pheasant mixture over the top of the rolled tortillas and sprinkle with the remaining cheese. Bake 25-30 minutes. Garnish with black olives, green onions, and additional chilies if desired.

Serves 6-8 people

Pairs well with a corn and black bean salad
