Quail Hunting Trip

With Quail hunting opening October 2, 2010 in Eastern Washington, we are planning a hunting

October Meeting

Our October meeting will be on the 7th at 7:30 PM at the range. This month we will be featuring a weenie cook out and show a DVD about upland bird hunting. This is an informative movie and will hopefully prove to be helpful with your hunting trips.

In addition we will also be taking nominations for the November elections as well as going over the upcoming hunting trips.

Copies of all of the thank you letters, from the kids we sponsored for conservation camp, will be available for you to read there.

Club junior earns 1st marksmen at Schützenfest

Every year the Tacoma Rifle and Revolver Club hosts the Schützenfest. It is a weekend long event that involves a 100 shot offhand match and the WA state Out-

door NRA 3-P Championship.

They shoot a total of 40 shots in each prone, kneeling, and offhand. The first 20 shots in each position are shot using iron sights and the second set can be shot using any sights. This year they had 25 competitors turn out for the 3-P match, and Marisca Mozeleski brought home 1st Marksmen with a rather respectable score of 1052-17x. Congratulations!

Quail Hunting from Page 1

There are 2 places to stay in Brewster, one is in the town of Brewster at the Columbia Cove RV Park and the other is a primitive camping area in the Indian Dan Canyon portion of the Wells Wildlife Area. Most of us will stay in the canyon, but remember there's no water available there and no toilet.

To get to Indian Dan Canyon take Highway 97 north from Wenatchee (about 62 miles) and turn left on Indian Dan Canyon Road (this is before the town of Brewster). Take the first left hand Y in the road, this should be Getz road and follow until you come to a small lake/pond on the left, follow the road around past the lake. We will be camping in the parking area. If you have a GPS this is at approximately 48.11164° N. Latitude & 119.86722° W. Longitude.

If you are interested in going on this trip and need better directions contact Tony Olszewski email address is tony@wssportsmen.org. We usually do a pot luck Saturday night. Clean those shot guns, dig out your hunter orange and we will see you in Brewster. †

WDFW News Release: First razor-clam dig of the season

OLYMPIA - The first razor-clam dig of the season is tentatively scheduled to begin early October on five ocean beaches, with additional digs planned through the New Year's holiday weekend.

In announcing the initial digging schedule, fishery managers emphasized that final approval of all scheduled openings will depend on results of marine toxin tests that show the clams are safe to eat.

"As in years past, we are announcing the proposed digging schedule so people can start making plans," said Dan Ayres, coastal shellfish manager for the Washington Department of Fish and Wildlife (WDFW). "But no dig is confirmed until we announce the results of the toxin tests."

For the first opening, Twin Harbors is scheduled to open for four days of razor-clam digging Oct. 7-10, with additional harvest opportunities planned Oct. 8-9 at Long Beach, Copalis, Mocrocks and Kalaloch.

The National Park Service scheduled the dig at Kalaloch Beach, which is located within the Olympic National Park, to coincide with those at Mocrocks and Copalis beaches.

No digging will be allowed before noon on any of the five razor-clam beaches.

All diggers age 15 or older must have an applicable 2010-11 fishing license to harvest razor clams on any beach. Licenses, ranging from a three-day razor clam license to an annual combination fishing license, are available on WDFW's website at <https://fishhunt.dfw.wa.gov> and from license vendors around the state.

Ayres said clam digging should be good this season, although diggers should expect to encounter higher numbers of smaller clams than last year. To prevent wastage, state law

requires diggers to keep the first 15 razor clams they dig. Each digger's clams must be kept in a separate container.

"The good news is that the smaller clams will continue to grow through the season," he said. "In the meantime, diggers will likely be taking home some three-inch clams along with larger clams as part of their daily limit."

Olympic National Park Superintendent Karen Gustin urged diggers to take safety precautions during night digs, especially at Kalaloch.

"Kalaloch is considerably more remote than the other clamming beaches, and visitors should be prepared for primitive conditions," she said. "With no streetlights or lighted buildings in the area, flashlights or lanterns are a necessity."

Ayres also advised diggers heading to Copalis and Mocrocks of a traffic revision on eastbound U.S. Highway 101 in Hoquiam due to emergency work on the Simpson Avenue Bridge.

"This is the only route to those beaches, so people should allow extra travel time to make sure they don't arrive late," Ayres said. He advises diggers to check the Washington Department of Transportation website for updated information at <http://www.wsdot.wa.gov/projects/us101/simpsonbridgepierrepair/>.

Fall Pistol League

The Fall .22 pistol league starts up on October 5th. It is 90 shots of slow, timed and rapid. The league will last 6 weeks and it will be held on Tuesdays at the Range. Shooting will start at 6 PM. It's not too late to join, if you would like more information please contact Rob Cozens. †
