No Meeting June 1st, Crawfish Boil June 8th

Crawfish Boil

Instead of our annual club Clam Bake we will be having a Crawfish boil on Wednesday, June 8th at Me-Kwa-Mooks Park located at 4503 Beach Dr. SW, Seattle. We will start cooking at 6 PM and serve dinner as soon as it is done. We will be having Crawfish cooked with Corn, Sausage, Potatoes and Onions.

The cost this year will be \$5.00 per person with children 12 and under free. We are asking you to bring a side dish to go with the crawfish such as salad, appetizers or dessert.

We suggest you bring chairs for yourself and a folding table, if you happen to have one, as the park only has 2 picnic tables.

Parking is along the street see map on page 2.

Directions to the park:
From I-5 exit to the West Seattle Bridge, proceed west on the West Seattle Bridge to SW Admiral Way exit, exit onto SW Admiral Way and continue west to 63rd Ave. SW (stop sign). Turn left onto 63rd Ave. SW and proceed south until the street ends at Beach Drive SW. Turn left onto Beach Dr SW and proceed one mile.

Remember there will be no club meeting June 1st. Hope to see you all at the Crawfish Boil on Wednesday June 8th. †

Kids Fishing Event

We had a very successful Kids fishing event on Saturday May 21st. We had over 113 kids come down and try their luck catching a couple of trout from our pond. We started a little before 8 AM and went to a little after 11 AM. The weather was not too bad, it only sprinkled for a little while and never very hard. The wet weather did not seem to slow down the kids much as we seemed to have a steady stream most of the time.

It takes a lot to put this event on, first someone needs to make arrangements with the state to get fish, then we need to get permits from the city. On the day *continued on page 2*

NEW DISCOVER PASS

From Washington Department of Fish and Wildlife; "New Discover Pass will help keep recreation lands operating."

Washington's new Discover Pass will help keep Washington Department of Fish and Wildlife (WDFW) lands open for recreation, despite reductions in state General Fund support.

Legislation creating the Discover Pass was introduced by state Sen. Kevin Ranker (D-San Juan Islands), passed by the 2011 Legislature and signed into law May 12 by Gov. Chris Gregoire. The Washington State Parks and Recreation Commission, WDFW and the state Department of Natural Resources (DNR) jointly requested legislation that led to the creation of the Discover Pass.

During the bill signing, Gov. Gregoire described the Discover Pass as "a solution that allows us to help keep our state recre-

ation lands open and accessible during the worst budget crisis in the state's history."

The Discover Pass will cost \$30 per year or \$10 per day for vehicle access to recreation land and water-access sites managed by WDFW, DNR and State Parks.

The pass will be required as of July 1, and will go on sale in mid-June at nearly 600 retail outlets statewide that sell hunting and fishing licenses. It also will be available for purchase online at <https://fishhunt.dfw.wa.gov/> or by calling toll free 1-866-320-9933. Beginning next fall, the pass also may be purchased when renewing a vehicle license through the state Department of Licensing.

Holders of certain types of hunting and fishing licenses will not need a Discover Pass for access to Washington Department of Fish and Wildlife (WDFW) recreation lands and boat launches; instead a Vehicle Access Pass for *continued on page 4*

 before the event, the pond needs to be setup so it is ready for the fish when they are delivered. After they are delivered several people (in shifts) guard the fish, even overnight, until the event the next day. During the event members help setup and bait poles, remove and clean fish and take pictures (which each child gets) of them and their catch. After it's over everything needs to get packed away for next year.

I want to thank all who helped at this event your names are many and your thanks are the smiles on a lot of kids and parents faces. Special thanks to Washington Department of Fish and Wildlife for the fish, Seattle Parks Department for the permits, San Gennaro Foods for storing the pool and supplies and for making ice to keep the fish cold.

Discovery Pass continued from page 1

WDFW recreation lands and water access will be issued free with purchase of a big-game or small-game hunting license, western Washington pheasant permit, trapping license, Watchable Wildlife decal, or saltwater or freshwater or combination recreational fishing license. Fishers and hunters will need a Discover Pass for access to state parks and DNR's designated recreation areas, sites, trailheads and parking areas. The Discover Pass will not be needed to access undesignated DNR lands.

Details on other exemptions to Discover Pass requirements are detailed at the Discover Pass website at <http://www.discoverpass.wa.gov>.

"Fishers and hunters already support WDFW recreation lands through their license fees, and that contribution was recognized in the legislation by waiving the Discover Pass requirement for most fishers and hunters on WDFW lands," said Jennifer Quan, WDFW's land manager.

WDFW also will honor current Vehicle Use Permits on WDFW lands through next March 31. However, current VUP

holders will need to purchase a separate Discover Pass for access to other state recreation lands after July 1.

Revenue from the Discover Pass will be split among the three state agencies in proportion to their need for General Fund replacement - 84 percent to State Parks; 8 percent to WDFW; and 8 percent to DNR.

In addition to providing a stable source of land operation revenue, the legislation provides reciprocal authority for law enforcement staff from each agency, to improve public safety and help protect state resources.

For more information on the 840,000-plus acres of land and 700 water-access sites managed by WDFW visit <http://wdfw.wa.gov/lands/> .†
