West Seattle Totems take 1st Place

Winter Rifle League just finished up a few weeks ago and our very own West Seattle Totems took first place this year. They finished up with a very impressive record of 12W-0L. WSSC had two other teams also competing in the league.

The Rifle league shot once a week meeting on Tuesday nights. Not only were the teams competing against each other but there were also competitions happening with in each team. As individual awards were given out to the top shooter in each discipline.

Congratulations to all of the winners this year. †

Youth Conservation Camp

Each year we sponsor 1 boy and 1 girl to go to Conservation Camp on Orcas Island. The girls Conservation camp will be held July 17-23 and the boys camp will be held July 24-30. Children will participate in training and field activities such as Wildlife & Habitat Management, Firearm & Archery Safety, Hiking & Outdoor Survival, Fly Tying & Casting, Ecology & Water Safety, First Aid & CPR, and Leadership

& Team Work. As a way to determine whom we will send, we will have a little essay-writing contest. All your children, grandchildren, nieces or nephews need to do is write in 100 words or less "Why I Want to Go to Camp" and turn it into the board of trustees at the May Club Meeting.

The board of trustees will select 1 boy and 1 girl from the entries received as the winners. The contest is open to all children ages 12 to 16. Entries may be turned in to any officer

or trustee at or before the June club meeting or by mailing to:

The West Seattle Sportsmen's Club
P.O. Box 16258
Seattle, WA 98116

Entries must be postmarked no later than May 27th, 2011.

For more information on the camp see please see their web site at <http://www.washingtonconservationcamp.org/>. †

the Kids. We will also talk about the Crayfish boil which will be replacing the Clam Bake this Year. Both of these events are coming up soon. If you are interested in learning more about these events, volunteering your time, or have any ideas for them or ideas for any other events you would like to see happen please come on down to the meeting. We would love to have your input.

There will be dinner served again this month. Hope you all can make it. †

Banks Lake

The Banks Lake fishing trip is almost upon us. It will be June 23rd- 26th. There are still 2 RV spots and a tent spot available. If you would like to join those going please let Greg Boyd know, you can e-mail him at info@wssportsmen.org.

If you have already reserved your camp site make sure you pay in full in order to keep your spot.

This will be good chance to soak up some sun, catch some fish, and socialize with some of the other club members. †

Kids Fishing Derby

The Fishing Derby is almost here and the kids are all getting excited. Please help us to put a smile on their face. We are looking for volunteers to help us out with set up on Friday May 20th, watching fish over night and during the event on the 21st as well as clean up.

If you are interested in helping out with any of those please contact Greg Boyd. You may also attend the next club meeting on May 4th to get more information on this event and sign up to help.

This is a great opportunity for us to give back to the community, and let kids experience fishing in a safe environment. It is also a good way for us to spread information about our club and

hopefully bring in some new members. †

Cray Fish

This year instead of the Clam Bake we will be trying out a Cray fish boil. The exact date and location have not yet been determined, but we will be working on that at the club meeting this month.

We are looking at doing it in the beginning of June. This event will probably be done pot-luck style so that we can bring the cost down a bit for everybody. Watch for more information on this event in the next newsletter.

We will also be planning a trip to go out Cray fishing in May. Cray fish season starts on May 2nd this year so get your pots ready.

Spring Pistol League

The spring pistol league just started up. They compete on Tuesday nights at the range. The matches consist of a timed and a rapid fire stage.

There is still time to sign up. If you would like more information you can either come on down to the range or contact Fred Burr. †
