## Big Game Dinner Planning at January Meeting

### January Meeting

Come welcome Gary Moseley as our new Club President for 2013. This months meeting is on Wednesday, January 2<sup>nd</sup> from 7:30pm to 9:00pm.

### Big Game Dinner

It's that time of year again... Time to start planning our February Big Game Dinner!

So far we have the American Legion Hall reserved for Saturday, Febuary 16<sup>th</sup> and we're going to use a good portion of our January meeting to plan this event.

There's a lot of help we need to put on these events. There are many different jobs that need to be done before and during the event, such as cooking, running food, serving food, selling raffle tickets and much more. Please let us know if you're able to help with anything (no experience needed) and also if you're planning on bringing kids to the event that would be able help sell raffle tickets.

We have some game meat and a small amount of salmon so far, but we could definitely use more. Steve Patnode has some elk, Gary Moseley has some venison and Mike Nies has some venison sausage for us. Anything more you can donate would be greatly appreciated. Also, we could use donations for raffle prizes.

Please come to the January meeting so we can discuss this or contact Greg Boyd at 206-818-4469 or [greg@wssportsmen.org](mailto:greg@wssportsmen.org) to let us know how you can help.

### WDFW Policy Change that will impact our Kids Fishing Derby

I know it seems too early to start thinking about our Spring Kids Fishing Derby, but I've been notified by the WDFW about a policy change that will increase how much it

costs for us to obtain the trout for this event. For a number of years we've been obtaining our trout through a great program that the WDFW runs where they provide them for juvenile fishing derbies. The only cost to us has been a \$24 juvenile contest permit fee. Unfortunately, with their current budget struggles, they're going to start also charging a \$70 processing fee in addition to the \$24. It's still a very reasonable price compared to what

we used to pay when we purchased them from a private fish farm. They think the new policy will take effect sometime in mid-January so if we can get our application in before then we'll be able to avoid the increase this year.

## Junior Shooting News

The new junior season has begun, and the Totems are ready to continue their dominance of the state smallbore and air rifle venues.

The National Junior Olympic Championship (NJOC) Qualifiers for both Air Rifle and Smallbore were shot this month. The NJOC is hosted at the Olympic Training Center in Colorado Springs each spring. The Junior Olympic Air Rifle Championship (JOARC) was shot in Olympia at the beginning of December. A few changes to locations for the Junior Olympic Rifle Championships (JORC) were made this year and West Seattle now hosts and coordinates the event going forward.

At the JOARC, the Totem's top team, The Thunderbirds, won the team event. The team of Lauren Phillips, Emma Carey & Corinne Blair shot a combined score of 1123 out of a possible 1200 points, to win the event. They beat their nearest competitor by 6 points to capture the State Team title. Lauren shot a 382/400 to capture the Women's Gold medal. Corinne shot a 375/400 to capture the Women's Bronze medal. Emma Carey finished just short of the medals shooting a 366/400 to help the

Totems capture the state title. Lauren and Corinne now wait to see if they qualified for the NJOC in Air Rifle.

The largest Air Rifle contingent ever sent by WSSC saw 14 Totems shoot Air Rifle in this match. Other totems to participate in this match. Casey Iwamoto shot a 357/400. Katelynn Brown shot a 350/400, followed closely by Sumner Ames, who shot a 359/400. Molly Johnson shot a 329/400 to round out the girl's scores. The boys who participated were led by Matt Zoba, who shot a 560/600 to finish 3rd in B Class. Nick Young shot a personal best of 531/600. Owen Yeasting shot a 527/600 and Jack Ellis shot a 511/600 to round out the top finishers for the boys. Our newest shooters were Will Zike, who shot a 456/600 to finish 2nd in E Class, Vic Yeasting shot 437/600 and Case Foster shot a 371/600.

The Totems repeated their top performance at the JORC. The 4 person Totems team consisted of Lauren, Emma, Corinne and Owen. The Totems shot a 2210/2400 to stake their claim on the State title. The team scores represents the best team score in the last few years. Emma cap-

tured the Women's Silver medal with a 560/600, and Corinne Blair took home the Women's Bronze medal with a 558/600. Lauren took home the High Junior award with her score of 555/600. Casey Iwamoto shot a 550/600, a personal best, to win A Class, and Jack Ellis, a Subjunior, shot a 528. Lauren, Emma, Corinne, Casey and Jack also wait to see if they qualified for the NJOC for Smallbore.

The Totems did very well overall. Owen Yeasting shot a 537/600 to finish 5th in Expert Class. Katelynn Brown shot a 536, a personal best, to finish 5th in A Class. Matt Zoba shot a 528/600, Sumner Ames shot a 515/600 which was a personal best score. Nick Young shot a 487, which shows his continued improvement in the sport. Molly Johnson, a new totem, shot a 491 to finish 2nd in B Class. Vic Yeasting shot a 469/600 to finish 2nd in D Class, Will Zike shot a 444/600 to finish 4th in D Class. We had three of our youngest shooter in the Prone Class. Luke Ellis shot a 212 to finish 2nd. Trevor Howerton shot a 208 to finish 3rd, and Ben Ellis shot a 196 to finish 5th.

The Totems are next in action on January 5th in Puyallup at the Icicle match and later in the month at the State Air Rifle Championships in Olympia.†

## Officer Meeting Date Change

We've decided to move our Officers Meetings from two weeks before each general meeting to the third Wednesday of every month at 7:30pm. This will usually end up being the same day, but on months that have five Wednesdays it might push the meeting a week earlier. We're doing this to make it easier to schedule on a reoccurring basis on calendars. Remember, any Club Member is welcome to attend.
