

Saturday, 10/26/24 10:00am—2:00pm

The West Seattle Sportsmen's Club presents a beginner airgun day at the Roger Dahl Rifle Range in West Seattle. Join us for a tour of one of the cleanest, safest, and friendliest ranges in the state, as well as a demonstration of Olympic style airgun competition, and an opportunity to try shooting under the instruction of our volunteer range masters. Information on range programs will also be available including gun safety, beginner shooting, and marksmanship competition. See you there!

Note: Due to the limited amount of time and required supervision, this event will be limited to adults 18 and older.
