Kids Fishing Event

We held our Annual Kids fishing event on Saturday, May 16th at Seacrest Park. This is our annual event we put on for the children of our community each year. We had over 90 children show up and try there luck catching 1 or 2 Rainbow trout provided by the state fishery department and co-sponsored this year by the Seattle Parks department. In addition to their fish each child that wanted one

received a picture of them and their catch.

We had several Hi-Yu princesses show up and help the kids fish this year. We wish to thank them and all that volunteered their time to helped put on this event. Your help has made this a very memorable event for many children and helped introduce them to the fun of fishing. See pictures to left and on page 2. †

Halibut Fishing

Sport halibut fishing to close off Ilwaco at the end of the day May 29

OLYMPIA - The recreational halibut fishery off Ilwaco will close at the end of the day Friday, May 29 after four weeks of fishing, the Washington Department of Fish and Wildlife (WDFW) announced today.

Fishing ends at 11:59 p.m. on May 29, by which time anglers are expected to reach the 11,014-pound quota for the early season in Marine Area 1, said Heather Reed, coastal policy coordinator.

The area has been open to halibut fishing three days a week since May 1. Any quota remaining after May 29 will be added to the quota for the late-season fishery scheduled to

open Aug. 7, three days a week (Friday-Sunday).

Reed reminds anglers that no other bottom fish may be taken, retained, possessed or landed, except sablefish and Pacific cod, if halibut are onboard the vessel.

Meanwhile, halibut fishing remains open on Sundays only in Marine Area 2 off Westport. Halibut fishing in marine areas 3 and 4 will be open two more days, May 21 and 23. If sufficient quota remains, the fishery will reopen June 4 and 6. The halibut fishery in the Strait of Juan de Fuca and all other areas of Puget Sound except Hood Canal is open five days a week (Thursday through Monday).

For the latest rule changes, call the fishing hotline at (360) 902-2500, or visit <http://wdfw.wa.gov/fish/regs/fishregs.htm> . †
