Spring Fresh Water Fishing

We are already set to go to Banks Lake June 3rd - 6th for our fresh water fishing derby. We would like to plan a mid-spring trip to some place else. We have talked about going back to Alder Lake, Baker Lake, Quincy Lake or Bowman Bay State park and near by Heart Lake for fishing. What do you think? Where would you like to go and when? Bring your ideas to the next meeting and help us figure out a where and when. †

TIME TO RENEW YOUR MEMBERSHIP

With the coming of the New Year comes this reminder. It's time once again to renew your Club Membership. Dues are \$35.00 and with that you get this great newsletter once a month, fun club outings, special events and reduced range fees at our range. We even manage to get an occasional guest speaker every now and then. So please use the attached form and mail your dues in now or bring

them with you to the next club meeting. You can even advance order your Big Game dinner tickets at a reduced price.

Your dues help us pay for club supplies, insurance and those fun special events and meals we have throughout the year, such as the Clam Bake, Salmon Bake, and Kids Fishing Derby just to name a few. Where else can you get a year full of fun for just \$35.00. †

January Club Meeting

At our January club meeting we will talk a little about our upcoming big game dinner, what food we will have, who can donate game, help prepare dishes, and who will help clean up afterwards.

We will also try to figure out a time for a few of our spring events such as the kids fishing derby and decide on a location for a mid-spring fishing trip (see related article above). See you at the range, 7:30 PM, Wed., Jan. 6th. †

Master Hunter Program from page 2 enrollment procedures are available at <http://wdfw.wa.gov/hunting/masterhunter/>.

Master hunters participate in controlled hunts to remove problem animals that damage property or threaten public safety.

To qualify for the program, applicants must demonstrate a high level of skill and be committed to lawful and ethical hunting practices, said Bruce Bjork, chief of the WDFW Enforcement Program that manages the Master Hunter program. Those who have been convicted of violating a state fish and wildlife regulation in the last 10 years are not eligible.

"This is a great opportunity for conscientious, committed hunters to assume a leadership role among their peers," Bjork said. "Their knowledge and conduct in the field

Volume 76, January 2010 **4**

can help build positive relationships with landowners and assure public hunting opportunity in the future."

Hunters enrolling in the program are required to pass a written exam, undergo a criminal background check, sign a Master Hunter Code of Ethics form and provide at least 20 hours of volunteer service on WDFW projects that benefit the state's wildlife resources.

Hunters who successfully complete the certification process will receive a certificate; a patch and a master hunter identification card; and will be eligible to participate in degradation hunts. †
